Are you looking for the best Minecraft PE seeds? Need the best Minecraft Bedrock Edition seeds? Well, you came to the right place. The Windows 10 version of Minecraft is different from the regular PC version of the game, so the traditional seeds do not work. This is because the Windows 10 edition is actually a Minecraft Pocket Edition (sometimes referred to as the Bed Rock Edition), as seen on mobile. This means that you need another seed to get the right result. If you are new to the world of Minecraft PE seeds then let us first walk you through how to use this neat code. All you have to do to create a new world is click New in the main menu to name the new game and go to the window where you can enter the seed code. All that remains is to press the Create World button and explore your environment. So if you are looking for a good Minecraft PE seed to start your adventure, should you enter the seed box? Be our handy list and guide of the best Minecraft Pocket Edition seeds. Here are the best Minecraft PE seeds: Witch Hut Seeds: 825217104 Witch's Hut of Minecraft Pocket Edition Seeds can be found in a swamp next to a mountain area beyond a small village wrapped in mountains. Flower Plains Seeds: Filled with 1425516286 flowers, this quiet world is the perfect escape for smooth Minecraft to sit and relax. Build your home in this garden of flowers and marvel at their beauty. Lava cliff seeds: 98450566 waterfalls last year too; Now it's about the magnificent columns of lava that flowed from the sheer cliff side. These Minecraft PE seeds also offer more than a visual spectacle – just do a little digging around the spawning point and you'll quickly find abandoned mine shafts packed with iron, coal, obsody, gold and diamonds. Hidden Castle Seeds: 66898262 These Minecraft PE seeds will spawn you in a beautifully constructed blacksmith's village bordering both well-hidden secret secrets and ordinary bioids. Head to the village and dive in to find the amazing castle beneath it. Mountain Village Seeds: 50975 Minecraft PE Seeds tend to produce the perfect village in every way. Not this seed, though. This man attempted to build a village on the side of the mountain, resulting in a house towering above both on an un reachable plateau and a crop garden buried on the side of the mountain. A unique place to set up camp, say the least. SMALL VILLAGE SEEDS: MAMAZOOSE VILLAGE TENDS TO ISOLATE SMALL HUTS SURROUNDED BY MILES OF ABANDONED LAND. Two Pocket Edition Seeds is not happy with the small settlement; it combines three villages to create a Bonafide village. It's rare to find a busy area that's completely created by a game, not a player. Floating Woodland Seeds: Infinity these Minecraft PE seeds generate what initially appeared to be a fairly common woodland biomyony. But looking up, you can see things don't look like pedestrians. The floating island is the unique infinity selling point of this seed and the basis of its own skybase. Desert Island Seeds: MESA PLEASE Colorful Minecraft Pocket Edition Survival Seeds, you spawn in endless seas but nothing but small desert land around you. But beneath the island are deep tunnels and cave networks filled with rare resources. Mesa Spike Seeds: 742382451 Mesa Spike Vimes does not exist, but these Minecraft PE seeds will make you believe they do. Walk right forward to Mesa Baimomer and the landscape will soon produce a huge multi-textured steed formation. Woodland Mansion Seeds: -396676922 What else can mansion dwellers possibly need?
